

WOMEN'S JAPAN GROUP SPEAKS OUT

Kudos to Lisa Natividad and the Fuestsan Famalao'an group for hosting the Okinawan Women's forum at the UOG. Amongst the group was Suzuyo Takaz a Pulitzer Prize nominee and president of this organization. One of the main topics during this forum was the down-sizing of the marines in Okinawa and the issues they had faced. As Guam prepares for this military buildup it is vital we continue to address the social impact as we work towards a harmonious society.
